HYDERABAD: Indian National Centre for Ocean Information Services is conducting a mock drill on Tsunami warnings on September 9 and 10. During the drill, Indian Tsunami Early Warning Centre (ITEWC) will generate and disseminate 15 tsunami notifications to both its national and regional contacts through GTS email, fax, SMS as well as web.

The recipients at the national level include control rooms of NDMA, MHA, Disaster Management offices of all coastal states and UTs, NDRF, Indian Coast Guard, Indian Navy and critical installations like ports, power plants etc.

India, along with 23 other countries on the Indian ocean rim, is participating in a major Indian Ocean-wide mock tsunami drill. This drill is expected to increase preparedness, evaluate response capabilities in each country.
